SECTION M Evaluation Factors for Award

CLAUSES INCORPORATED BY REFERENCE

52.217-5 Evaluation Of Options JUL 1990

M.1. Government Intent Relating to Award. It is the Government's intent to award one cost plus award fee contract pursuant to this solicitation.

M.2. Inspection of Offeror's Equipment. If an offer submitted in response to this solicitation is favorably considered, a survey team may contact the offeror and arrange for the inspection of equipment proposed by the offer.

M.3. Evaluation and Selection Procedures. Selection of a Contractor will be made by an integrated assessment of the proposals submitted and in light of the following criteria. The integrated assessment will involve a determination by the Government of the overall merit of each offeror's proposal, **recognizing that subjective judgment on the part of the Government evaluators is implicit in the entire process.**

All offeror's proposals will be evaluated for technical quality and quantity. The Source Selection Authority (SSA), *independently exercising prudent business judgment*, arrives at a Source Selection Decision based on the offeror(s) who proffers the best value to the Government. *The SSA shall not receive a recommendation from any individual or body as to whom shall receive the award and additionally shall not receive a rank order or order of merit list pertaining to the offers being evaluated.*

A cost/price analysis will be performed.

If no award on initial offers is made under the authority of the Provision entitled, "Instructions To Offerors – Competitive Acquisition (MAY 2001)" in Section L. of this solicitation, then the procedures of FAR Subpart 15.3-Source Selection will be followed in making a recommendation for award which will be provided to the Contracting Officer as a basis for final determination.

Award will be made to the offeror whom the Government determines will be able to accomplish the necessary work in the manner most advantageous to the Government. The evaluation of technical capabilities will be accomplished without reference to cost.

All evaluation factors other than cost or price, when combined, are significantly more important than cost or price.

All factors and significant sub factors that will affect contract award are listed below.

M.3.1. Evaluation of Technical Capability. The technical aspects of the proposal will be evaluated on the following topics. These factors are listed in descending order of importance.

a. Management Capability. The offeror must demonstrate that he/she has sufficient capability to manage the work required by this contract.

b. Experience of Firm (Past Performance). Each type of experience listed below will be given equal weight in evaluation:
